

Data Audit - Findings

Generated: 25-07-2026 19:03

Note: one connection can fail several checks, so the column totals count some connections more than once.

Code	Finding	Connections	Amount
A2	Hidden arrear - Arrear column shows 0 but balance proves old dues	3,779	31,296,748
A1	Payment received but shown as minus - arrear never credited	931	1,509,252
A4	No Jul-Dec demand raised against a billed connection	8,477	21,605,800
A3	Arrear outstanding although the consumer paid this year	47	262,844
B4	'Recovered Arrear' column never posted	8,953	0
A5	Connection on the register with no demand at all	51	0
B1	Jan-Jun balance does not equal demand minus collection	3,863	31,789,224
A6	No Jan-Jun demand raised against a billed connection	151	392,400
B2	Negative arrear carried forward	24	93,800
B3	Off-tariff annual demand	5	0
B5	Old Connection No missing	1,516	0
B7	Collection is not a round amount	673	0
B6	Father/Husband name is a placeholder	451	0
Column Total		28,921	86,950,068
